**2014-15 Budget Public Hearing – Dr. Clark & Mrs. Spitzer**

Discussion:

Mr. Sturges inquired on field maintenance due to concerns. Dr. Clark responded that we are working with the Township as part of a shared services agreement, and noted that the township too is under financial constraints.

Mr. Freda commented that School Choice and overall enrollment is declining, and inquired on the impact that full day kindergarten program would have on enrollment.

Mr. McTiernan expressed his concerns on the impact such a lean budget will have on the district's ability to get work done with mandates and limited resources. Ms. Grant agreed with Mr. McTiernan and added that these concerns have been discussed in committee and taken into consideration at previous budget meetings and workshops. Mr. Freda cautioned that the district needs to balance the tax impact so that the community is not overburdened.
