

Partnering for Innovation Campaign 2017

www.clintontownshipfoundation.org

Dear Friend,

The Clinton Township Foundation for Educational Excellence (CTFEE) is a non-profit organization whose mission is to provide unique educational enrichment opportunities for all students in the Clinton Township school district. CTFEE provides our students and teachers with the funding for **innovative** educational programs that span all academic areas including: STEM, technology, core curriculum, art, music, fitness, character fulfillment and staff development.

Last year, the Foundation awarded more than **\$40,000** in grants to the Clinton Township school district. Information regarding these grants is included in the attached brochure.

CTFEE relies extensively on private donations to fund these impactful grants. We hope that you will partner with us and help make these enlightening visions become a reality.

Please join us in BRINGING INNOVATION INTO OUR CLASSROOMS. Invest THROUGH THE CTFEE.
