

CTSD Standardized Assessment Schedule 2023-24

New Jersey school districts, charter schools and renaissance school projects are required by statute (N.J.S.A. 18A: 7C-6.6) to annually notify parents or guardians by October 1 of any statewide student assessment or commercially developed standardized assessment that will be administered over the course of the school year. It is very important to note that all students may not be administered all assessments or participate in assessments on the identified administration dates. Additionally, the allotted timeframes are approximate timeframes and students may be permitted extra time or accommodations as outlined in an IEP or 504.
