HIB Policy

Dear Clinton Township School District Parents,

In the beginning of the year, there are a variety of policies to read and sign off on. We always want parents to read each policy in its entirety but occasionally we will have updates that are created to help make parents aware of changes.

Please read the [HIB Policy](#) and agree to the terms below.

Listed below are updates to and reinforcement of key aspects of our HIB policy

- In order for an incident or event to rise to the legal definition of harassment, intimidation, or bullying there needs to be an actual or perceived distinguishing characteristic.
- We take all incidents of misconduct seriously. Even if an incident or event does not meet the definition of HIB, we do a thorough investigation and assign consequences as stated in the code of conduct.
- NEW: If an incident or event is considered a Bias incident, that is an incident where the student is harrassed based on membership in a protected class (i.e., race, color, national origin, sex, ancestry, nationality, disability, religion, sexual orientation, gender identity or expression, marital status, civil union status, domestic partnership status) as set forth in the Law Against Discrimination (N.J.S.A. 10:5), it must be reported to both the police and the county prosecutor by the school district. Here is an [overview of the N.J. youth bias task force report](#)
