May 5, 2020

Dear Parents/Guardians

Today Governor Murphy announced that the Executive Order closing schools due to the COVID-19 will remain in effect for the remainder of the 2019-2020 school year. Therefore, remote learning will continue for the rest of this school year.

At this time, no further details on year end events such as graduation and CTMS Awards Night are available. Guidance from state and local officials will determine our next step in planning these events.

As always, we wish your family the best and would like to thank you for your continued support. Your emails of support and encouragement have been truly appreciated. I would like to thank all of you and our teachers, especially in this week of staff appreciation, for their efforts to continue to ensure the education of our students.

Thank you

Dr. Michele Cone
