

Clinton Township School District

Dr. Michele Cone, Superintendent
P.O. Box 6, Annandale, NJ 08801
(908) 268-5414

March 21, 2020

Dear Parents/Guardians,

The district is in constant communication and is collaborating with the Hunterdon County Department of Health regarding COVID-19 including the DOH responsibility to notify others who were in close contact.

Yesterday we were made aware by the Hunterdon County Department of Health that a person who visited Patrick McGaheran School on or about March 6, 2020 was confirmed positive for COVID-19.

The Hunterdon County Department of Health informed us that they would be notifying individuals that were in contact with the person. Although the Hunterdon County Department of Health determined that notification to the broader community was not required in this instance given the timeframe, the school district is sharing this information so community members are informed.

As recommended by the Centers for Disease Control and Prevention, please contact your health care provider if you are experiencing any of the following symptoms: fever, cough, shortness of breath.

Respectfully,

Dr. Michele Cone

Michele Cone, EdD
