

FREE WEBINAR FOR PARENTS

Oh no! Schools are closed and the kids are home.

Yes, teachers are providing remote work or packets ... but parents are the overseers and helpers! And in many cases, that's in addition to working at home!

Join Dr. Nancy Sulla, author, educator, and creator of the *Learner-Active, Technology-Infused Classroom* for tips, strategies, and resources to help you help your children and maintain your sanity.

Two times to choose from:

- Friday, March 20th, 8:00pm ET
